

2008 Personal annual report for Johannes Mirus

You took 12 trips in 2008, which added up to 21,846 km or 6% of the distance to the moon.

In 2008, Dopplr alerted its users to more than a quarter of a million coincidences. We couldn't find any coincidences for you in 2008. This might change in 2009 if you share your travel plans with more people you trust. Did you know you can easily connect with people you know on Facebook, LinkedIn, Twitter, and Flickr (amongst others)?

In 2008, you spent

Everyone on Dopplr travelled a total of 1331.4 million km or 8.9 AU in 2008: the approximate distance to Saturn from the Earth as of January 2009.

The furthest distance you travelled was to Cologne (7,259 km from Atlanta), which is the 51st most popular city on Dopplr. The shortest distance you travelled was to Kaarst (41 km from Cologne).

You spent the longest in Rome, Federico Fasce has a tip:

My advice is to eat a pretty good sushi, such as Bishoku Kobo.

See more on the city page for Rome on Dopplr.

Your carbon for 2008

Based on figures from Fueleconomy.gov, 1 x Hummer H3 4WD truck produces nearly 10 metric tonnes of CO2 a year. The visualisation above uses this figure to illustrate your carbon from Dopplr as calculated by our friends at <http://amee.cc> and is an approximation only.
